- All motorcycle clubs are limited to 75 motorcycles without prior authorization.
- Any group with animals is responsible for any and all of their scooping. The Snake Saturday Parade does not provide any scoopers to monitor the parade route. Entries with horses are required to have two people to follow behind the entry.
- Please make sure that everyone in your group knows that south of 10th Avenue and north of 14th Avenue is for ALL drop-offs, parking can be found any street east of Swift and south of 14th, with the exception of Howell. There is no parking or drop-offs in the staging area.
- All school bus parking will be 14th Avenue east of Iron. Please parallel park legally as 14th Avenue is still open for thru traffic.
- All participants must keep travel routes in staging free from congestion. There will be no band or drill team practice that interferes with free travel on staged streets.
- This year we have a large number of animal groups which include dogs and horses. We have done our best to keep these groups as far away from loud entries as possible. The staging area is crowded. We ask, if you have a loud entry (drums, live music or loud speakers) that you be respectful of these animal groups while in the staging area.

Traveling down parade route:

- When traveling down the parade route, all entries must stay six feet away from the spectators on both sides for safety reasons.
- Motorcycle groups may ride up to three across but no more.
- Automobile groups MUST ride two across down the parade route.
- All entries are expected to keep up the pace in the parade flow. No entry may stop to perform or otherwise halt the parade procession.

ABSOLUTELY NO THROWING anything off of your entry, this rule is that so no child or person runs out into the parade route and potentially could be hit by a float. Your assistance with this rule is greatly appreciated. You are welcome to walk and hand out candy or other items. Any entry who does not follow this rule may be barred from participating in future parades.

We appreciate everyone sticking to these rules and keeping the parade route safe. Parade marshals will be posted along the route to ensure gaps are minimized and to assist with keeping the parade moving.

End of Parade Dispersal:

All participants will be directed to continue on Howell and turn right on 16th st. Entries are then able to use Erie or Gentry to exit. Please ensure your participants are aware of these dispersal procedures. Parade volunteers and Police Officers will be there guide entries. Please do not stop and block any of these streets as it will back up the entire parade.
